

Important information when loading 50kg and 1ton Phokeng bags at Northam Site

1. The Bag Schedule will be updated in accordance **with the date confirmed by the agent.**
2. It is of the utmost importance that trucks keep to their scheduled date and time.
3. **Loading time Monday to Friday: 07:00 to 13:00**
4. **Arrival time Monday to Friday:**
 - Trucks should be at site no later than 08:00, alternatively stand over the night before.
 - Trucks arriving late will stand over as it takes around 2 ½ hours to load a bag order.
 - Any decision to load after hours will be the sole discretion of the site supervisor.
5. Please note that if trucks do not meet the scheduled booking date and time, or cancel on the day, a cancellation fee of R2 500.00 per load will be charged.
6. No loading of bags on Saturdays (unless alternatively arranged).

Type of trucks suitable for loading 50kg and 1ton bags:

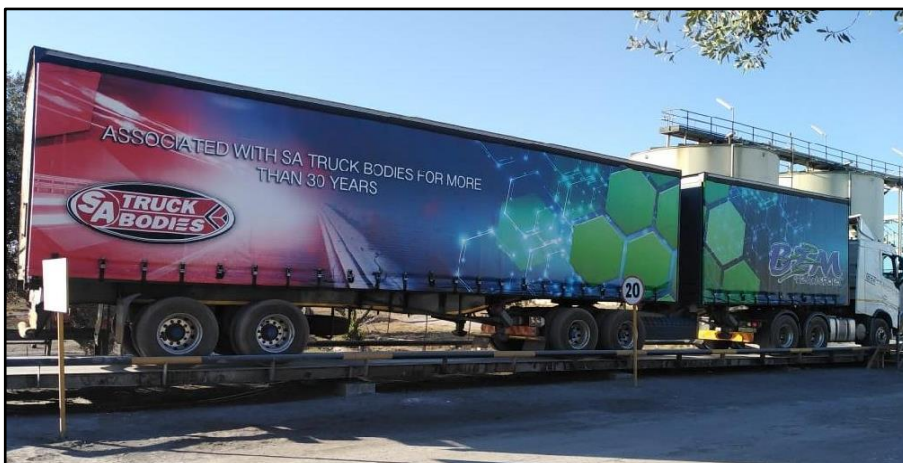

Flat-bed Trailers – suitable for 50kg/1ton bags.

Bucket Trailers - suitable for 50kg/1ton bags.

Tautliner Trailers – suitable for 50kg.

- Please ensure that your trailer can carry the full order up to 34 tons of bags.
- If site operations observe that the specific trailer might not be able to carry the full order (34 tons), they will inform head office to communicate such observation to the client to make alternative arrangements.

We thank you for your co-operation in this regard.
